EXPERI- ENCE

Serve the best Caffè creations!

Whatever the time of year, with our barista range you can always create the right specialities and put a smile on your guests' faces!

We are the EISUNION – a nationwide operating and versatile specialised wholesaler with a warm and family like character!

Benefit from our extensive product range, outstanding procurement expertise and customised logistics. We stock the industry's leading manufacturers and our suppliers are among the best on the market.

We provide you with everything you need for the successful operation of your business. In addition to the best ingredients and machines, we offer an extensive range of accessories, equipment and furniture. We also supply you with many other items from the snack & bar sector. We pay strict attention to the highest quality for an attractive price.

Online-Shopping 24/7

Our webshop is open for you around the clock. On our homepage you will find regular updates and information on new products, trends, industry news and attractive offers.

eisUNION

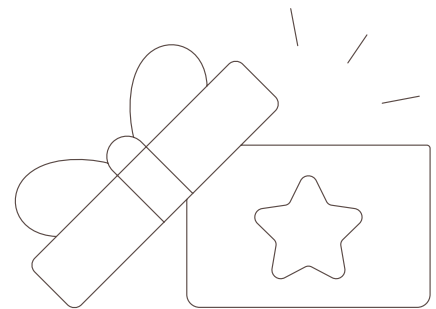

Your strong partner for *Ice Cream Pleasure*

Caffè is more than just a drink – it's a moment of relaxation, inspiration and socialising.

Your partner

Enchant your guests with a holistic Caffè experience!

Our exclusive Caffè concept includes the best branded products, comprehensive services, first-class training and seminars as well as discounts and top financing options.

»Attend our barista seminars«

We offer training courses for you and your employees at regular intervals. In our barista seminars, barista masters show you how to prepare the perfect coffee. The workshops take place in Hanover and Bremen.

We can also organise a training course for you at short notice on request.

Customised offers for you!

Our dedicated sales team is on hand to provide you with customised solutions tailored to your needs when selecting products and will keep you up to date with constantly changing offers and promotions with great discounts. You can also take advantage of our professional on-site support, including installation and instruction service, take part in instructive training events and receive qualified advice from us on tax issues and start-up projects.

With our in-depth expertise, we can help you with all technical issues, the choice of ingredients, your equipment and furniture as well as financing and all other matters relating to the operation of your ice cream parlour!

We are at your side in person. To arrange a consultation, please contact our sales representatives, our branch or our head office.

CREATION

Product demonstration

Experience top quality Caffè! Our branches regularly offer on-site product demonstrations. For an individual demonstration in your ice cream parlour, please contact Mr Andrea Marini.

E-mail: andrea.marini@eisunion.de

Aromatic Caffè diversity

Our extended range of branded Caffè offers the flavour of pure beans from the best growing regions in the world, carefully refined by experienced master roasters. Our high-quality house brands also impress with an extremely attractive price-performance ratio.

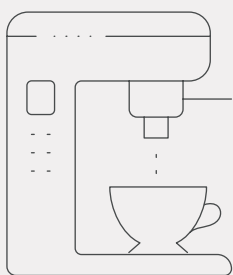

Discover our coffee side dishes and carefully selected, delicious baked goods - especially recommended during the cold season.

Equipment

DELIGHT

According to your taste

Choose the perfect additions for customising your Caffè concept from our wide range of accessories.

In addition to high-quality crockery and attractive to-go items, you will find many items for modern equipment and furniture for your ice cream parlour or café. Our parasol, for example, helps to create a relaxed atmosphere outdoors.

Your branding

Increase customer loyalty by customising your to-go items and napkins with your own branding.

We can supply many items with your logo, text and design.

At 7 locations for you!

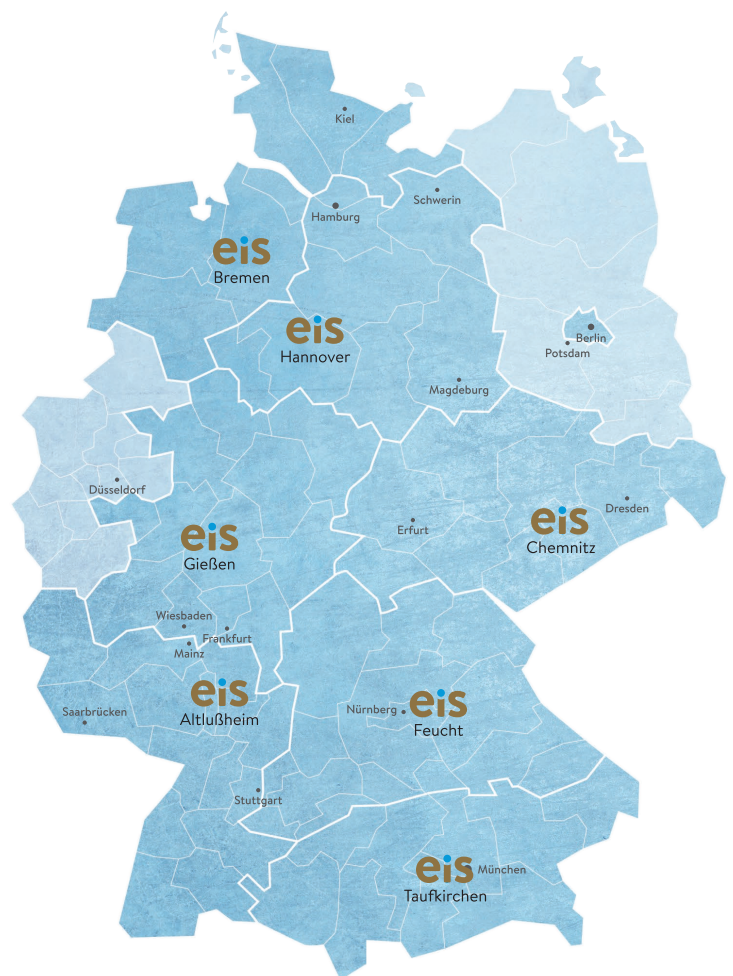

Our branches are established, long-established companies that ensure nationwide coverage.

We look forward to meeting you!

Visit our branches, be inspired and receive professional advice from our sales staff. You are also welcome to pick up your goods from our warehouses. Our customer service team is also there for you by phone and e-mail. Please refer to our homepage for our opening hours.

With our own logistics

Our logistics department with its own fleet of vehicles ensures particularly favourable, efficient and reliable delivery of your goods. We attach great importance to short delivery times and punctual delivery. Machines and large appliances are delivered nationwide by external forwarders (carriage free for orders over € 900).
